Dear Policyholder,

I hope this letter finds you well. We are writing on behalf of Kempton Asset Management with reference to your Utmost policy and some upcoming changes. We are currently managing your policy through one of our affiliate partners, RGIA (La Global), however, we have recently agreed terms of business with Utmost Worldwide to bring the management of your policy in house, under Kempton's holding company, Silverleaf Capital Partners Ltd.

Here's what's important for you to know:

- **Nothing changes in your agreement** – the same terms, protections, and benefits continue.
- **Your advisor and support team remain exactly the same** – you'll keep working with your current adviser and our service team, just as you always have.
- **Your investments and security are completely unaffected.**

In short, this is simply an administrative update. You don't need to take any action, and the service you receive will continue without interruption.

We truly value the trust you place in us, and I want to personally reassure you that this change only strengthens our ability to support your financial goals.

If you wish to discuss this further or have any questions, please feel free to contact us directly at bdollin@kemptonasset.com

With gratitude and warm regards,

A handwritten signature in black ink, appearing to read "A. Campbell", with a horizontal line extending to the right.

Adam Campbell
